

HECHO [MADE]

¡CAMBIAR CONSTRUIR GANAR!

TRADE BUILD WIN!

Hecho is Spanish for “made” or “done”. In this fast-paced trading and building game, contractors are pitted against one another competing for various construction projects. Use materials from the community scrapyards and trade with one another for the right combination of cards to complete available projects. The turnless, free-form nature of the game-play makes for a quick and chaotic fiesta for the whole family.
